2018

Welcome!

The Connecticut State Dental Association is excited to invite you to attend the 2018 New England Dental Leadership Conference, March 23-25, 2018 at the Mystic Marriot in picturesque Southeast Connecticut!

The theme for 2018 NEDLC is “Empower and Inspire the Leader Within You”, and features a roster of insightful, empowering and motivating sessions that will help you explore your leadership capabilities and refine what makes you the leader you are, and set a course for becoming the leader that you WANT to be!

The 2018 NEDLC Planning Committee has worked hard to identify programs that will be of great value to aspiring leaders and those who are new to the leadership ranks. Been a leader in the industry for some time? Have no doubt that Empower and Inspire the Leader Within You is for you too. You will receive unique insight, tools and ideas that will give you a fresh perspective on leadership concepts so that you can enhance your personal brand of leadership. Your leadership ‘toolkit’ will be overflowing by the close of the weekend!

You won’t want to miss the great programming that 2018 NEDLC has to offer. And, you certainly don’t want to miss the networking opportunities and the “local flavor” that we have planned for everyone. More importantly, your family will have a great time in historic Mystic, featuring the world class aquarium, historic Mystic Seaport, and of course, the famous “Mystic Pizza”!

We look forward to welcoming you to Connecticut, and to knocking your socks off with a fantastic, fun weekend of insight, challenge, and most of all, friendship! Don’t keep the program a secret! Let others know about this exciting program and come together. We look forward to seeing you!

Thank You to our 2018 NEDLC Sponsors!

Friday, March 23

4:00pm - 5:30pm

Vulnerability: The New Heartbeat of a Leader

It's true...vulnerability is a GOOD thing! This interactive workshop will explore the necessity of vulnerability in leadership and how it can be one of the most significant assets in a leader's tool-kit. The group will view a Brené Brown's video as the foundation for the discussion. The presentation will provide an overview of the definition of vulnerability, the myths of vulnerability and how vulnerability lays the foundation for exceptional, authentic leadership. This opening will lay the ground work for the upcoming sessions and get them excited to try on new tools and practice vulnerability.

Saturday, March 24

8:30am - 11:30am

You've Got Style!

Unleash your untapped potential, and engage the potential in others! This session highlights the importance of self-awareness for leaders, and introduces the basics of the Enneagram personality system to help participants understand their own motivations, needs, and desires, and how they are similar, and different from others. This interactive program will help you overcome self-imposed limitations, identify and activate your hidden potential, as well as unleashing the hidden potential in others.

1:00pm – 4:00pm

The Five Practices of Exemplary Leadership®

This is not just another passive discussion of best practices in leadership, it's an interactive learning experience! During this session, we will introduce the Five Practices for Exemplary Leadership®: Model the Way; Inspire a Shared Vision; Challenge the Process; Enable Others to Act; and Encourage the Heart. You will complete your own Leadership Practices Inventory (LPI) self-assessment, and in the end, have a definitive framework to initiate a personal leadership development plan.

Sunday, March 25

9:00am – 11:00am

The Stories We Tell

The ability to tell stories with ease gives us access to a tool for explaining complex ideas for showing empathy and compassion, and for engaging others in our ideas and proposals. During this highly interactive session participants will learn the elements of compelling stories and will be given multiple opportunities to create and deliver (in small groups) one or two stories of their choice. Every participant will leave with a template for future stories creation and additional tools for their tool tray. **And, in the NEDLC tradition, guests are welcome to join us and participate in this session.**

11:00am – 11:30am

Finalizing the Action Plan

During this time, we will complete our toolkits by tying together all of the concepts and tools that we have gathered throughout the weekend. We will make commitments to ourselves on how we will use our leadership tools going forward to make the entire weekend experience "real," and to EMPOWER AND INSPIRE THE LEADER WITHIN!
